

DO YOU DRIVE TO UNI?

Do you spend hours trying to find a parking bay?

Are you frustrated with the traffic?

Want to get to class quicker and cheaper, and lower your carbon footprint?

THE SOLUTION IS SIMPLE

KAPUDDLE

car-pooling made easy

Kapuddle works by connecting car-pool users based on their schedule, start and destination addresses. Passengers and Drivers share the cost.

Share your journey to save money, save time (and save the planet).

IT'S FUN, SAFE AND EASY
